

Sacred Heart CATHOLIC SCHOOL

Jesus is the Center.

Parent Service Hours and Fund-Raising Agreement

As the primary educators of our children, parents know that students who have parents who are actively involved in their child's education are more successful. As part of Sacred Heart's philosophy of mutual support, parents are expected to provide service to the school through parent service hours. These service hours must be served through Sacred Heart Home and School Association activities, the Fall Festival, the Spring Festival and additional approved school activities listed below. All parents are required to commit to 12 hours to the Parish at the Fall/and or Spring Festival.

Families are required to serve 40 hours (*20 for single parents*) or pay the equivalent of **\$25 per hour**. All service hours must be completed by **May 15, 2017** or a bill will be issued. Parents may sign up for service hour opportunities at the first Home and School meeting.

Listed below are areas where Service Hours can be filled:
