

Dear Parents,

May 20, 2019

My name is Mr. Gunnin, and I have the pleasure of being your child's teacher next year in 5th grade! I am looking forward to meeting you and your child in August!

I am including my summer Reading and Math requirements, which **need to be completed BEFORE** your student begins school in August. This is **mandatory** at Sacred Heart and not optional.

Reading Requirement

Each student is required to **read at least 2 chapter books** near his/her lexile level over the summer. In the first week of school, each student must be prepared to take and pass a Whooo's Reading Quiz on each book that they have read. I have included a few recommendations, but they are simply recommendations. Students may choose other books near their lexile to read that interest them and reading more than two books is encouraged as well!

Please see the attached **Sunshine State Young Readers Award Books 2019-2020 List** for book recommendations.

Math Requirement

Sacred Heart has purchased a **Math workbook** for each child to complete during the summer. I will be collecting these books on our first day of school in August, so please make sure that they are completed prior to the first week of school.

I also highly recommend your child continue to go on IXL over the summer. Your child may continue working on 4th grade skills or move up to 5th grade skills!

Thank you for your cooperation and support as we strive to meet our goals of college and Heaven. I hope you enjoy a safe and happy summer!

Sincerely,

Mr. Gunnin
